

The Novi Athletic Boosters is the non-profit organization that supports the sports teams made up of more than 900 Novi High School and Novi Middle School student athletes. The Boosters is run entirely by the parents of these student athletes who volunteer their time. The Boosters primary purpose is to raise funds to be used to purchase items such as uniforms and equipment for Novi student athletes. The Boosters are seeking to establish long-term relationships with local businesses. By partnering with the Boosters, local businesses will reach students, parents and community members involved with Novi Athletics. Advertisers will also be included in the online flipbook version of the program on our website:

www.noviathleticboosters.com.

100% of funds raised are used for the benefit of Novi Athletics.
