PURCHASE AN ALL SPORTS PASS

- **Individual All Sports Passes are \$65** (plus applicable one-time GoFan service fee)
- **Family All Sports Passes are \$180** (plus applicable one-time GoFan service fee)

- An Individual All Sports Pass is intended for one individual.
- Family All Sports Passes are intended for an immediate family in which all members live in the same household. One adult family member (purchaser) will purchase and receive all mobile passes in their GoFan account. Mobile family passes can easily be shared/transferred with family members so everyone has their own pass on their personal mobile phone. Ensure that each family member has downloaded the GoFan app on their personal mobile phone and they have created an individual account before an attempt is made to share/transfer passes. *Please note, accepted mobile pass transfers are **FINAL** and cannot be transferred back or transferred to others.* Family members that do not have a personal mobile phone can store their mobile All Sports Pass in the purchaser's GoFan account and it can be redeemed from the purchaser's personal mobile phone at gate entry.
- Children under 5, and adults 62 and over, do not require an All Sports Pass and are not charged for game entry.
- Mobile All Sports Passes are active and ready for immediate use upon purchase. Your mobile phone is your ticket! Validate your pass with each use at the gate – show your mobile phone screen to authorized gate personnel.
